Dearest Mother and Daddy:

How much we have to praise the Lord for this lovely sunny day. His love and blessings are so abundant! In Joel 3:16 it reads - "The Lord will be a refuge unto His people, and a stronghold to the children of Israel."

Virginia is doing splendidly. So well, that she feels like going to S.S., school, etc. Such a problem! Them. I can't feed her enough to please her. Keeps me laughing at her accusations of "starving her to death." She's got the best disposition she's ever been known to have.

Dorothy felt pretty poorly all night but seems as merry as her auntie this A.M.

Much love - Helen.
